

# Governing Body

## Vision

 'Wish it.   
*Dream it.*  
 *Do it.*  
 *Be Unique'*

“The Governing Body is a passionate, innovative and outward looking group of people who want the best for Fulwood and Cadley. By working collaboratively as a Governing body team and with community partners, we work hard to ensure that staff are supported and professionally challenged.

Through the effective identification and maximised use of all available resources, we strive to enhance and support the rounded development and wellbeing of both children and staff as well as the wider local community.”
